PRE-CONFERENCE WORKSHOP

(separate registration required)

Workshop**10:00 h Teach the teacher**

Amal Mattu, Rob Rogers and Pieter van Driel

"This six-hour workshop is devoted to faculty development and will focus on improving attendees teaching skills in the emergency department. The teaching faculty of this workshop will draw on their experience as emergency medicine educators and will highlight ways to improve as bedside teachers, give more effective feedback to learners, implement an effective strategy for "teaching on the go," and expertly teach procedures. This course will provide attendees with practical information on how to be a better educator and how to teach more effectively in the busy emergency department environment."
